** Withdrew from race 1/27/10. However, name will still appear on 3/2/10 ballot.*

Written Questions from the Audience

Index cards and pencils will be provided to members of the audience who wish to submit written questions to candidates. Each card should contain only one question. Each question should be designated for a specific ward race or for the mayoral race. In other words, the person submitting a question will write one of the following at the top of the card: *Ward 2, Ward 4, Ward 6, Ward 8, OR Mayoral Race*. League members will screen all questions.*

If the forum ends before 9 PM, there may be a brief time for the audience to talk informally with the candidates.

** Questions will be screened out which are illegible, contain personal attacks on candidates, are duplicate questions, or are **not** relevant to city government. Some questions may be condensed or reworded for clarity. If a question is designated for more than one race, it will be assigned to the first race listed.*
